about us....

COMPANY.....

'ATHARVA INDUSTRIES' IS A MARKET LEADER IN THE STORAGE SOLUTIONS AREA IN INDIA.

WHO WE ARE.....

Since 2010 we have pioneered the design of intelligent storage solutions. Our manufacturing facility in Ahmedabad. Our comprehensive range of warehousing, in-plant material handling equipment and A-Z storage solutions caters to a wide variety of needs across industry segments and applications.

We have made it our mission to go beyond product sales. We believe in consulting our clients and helping them make informed decisions. Every project starts with a site visit and in-depth consultation to ascertain your needs. We then provide a solution that is customized, designed, validated and installed to your specifications. Our dedicated customer centric, problem solving approach has ensured our continued status as market leaders. Over 90 percent of our clients have repeated their business with us.

our prestigious clients

mission, vision & values

ATHARVA INDUSTRIES MISSION

"Partnering with our customers to make sure they succeed"
Working in synergy with our business associates & our employees; and partner with our customers to make sure they succeed; by providing customer oriented solutions. We harness the talent and motivate our employees; to create wealth for all stakeholders.

ATHARVA INDUSTRIES VISION

"Making logistics lives better"
ATHARVA INDUSTRIES thrives itself to be a globally recognised company by 'making logistic lives better' & by being a key preferred partner of our business associates. We also recognise that with our role as a company comes a responsibility to help improve the communities in which ur employees work & live.

ATHARVA INDUSTRIES VALUES

'ATHARVA INDUSTRIES' : A strong family company - yesterday, today, tomorrow.
As the owning family we have always represented the backbone of the entire Group, and thanks to our strong commitment, ensure reliable and forward-looking development opportunities We want the values we have built on to shape the company. Based on these values, we have defined guiding principles for the management of the company.

The key statements are :
We think, plan and act with a long-term view
We search for market-oriented innovations, promote them and implement them
We want to "grow", but not at any cost
We limit risks, and only undertake them in an acceptable framework
We reinforce our financial strength thanks to internal financing

Our strengths :
We design and manufacture in-house
We have the latest manufacturing processes
Our range extends from initial consulting services and the planning of complex projects, to production and implementation through to ongoing system maintenance
We have wide-ranging, sector-specific expertise and across years of project-based experience
As an owner-operated family company, we can act with almost complete freedom and control in purchasing and financing aspects.
